

## Declaration in accordance with Section 161 AktG on compliance with the German Corporate Governance Code

The Executive Board and the Supervisory Board hereby declare that IVU Traffic Technologies AG will comply with the regulations and recommendations of the German Corporate Governance Code in the current version of 28th April 2022 published by the Federal Ministry of Justice in the official section of the Federal Gazette ("Bundesanzeiger") on June 27th 2022 with the exceptions listed below.

Furthermore, the Managing Board and Supervisory Board declare that since the last Declaration of Conformity was issued on 15th February 2022, IVU Traffic Technologies AG has complied with all regulations and recommendations of the version of the German Corporate Governance Code dated 16th December 2019 published by the Federal Ministry of Justice in the official section of the Federal Gazette ("Bundesanzeiger") on 20th March 2020 and, since their publication in the Federal Gazette, the version dated 28th April 2022 with the exceptions listed below.

### B.5 Age limit for Executive Board members

The Supervisory Board has not defined an age limit for members of the Executive Board. The company does not see any reason to stipulate an age limit for the Executive Board, as the expertise of experienced Executive Board members should be available to the company and exclusion from the Executive Board solely on grounds of age does not seem appropriate.

### C.2 Age limit for Supervisory Board members

The company dispenses with the definition of an age limit for the Supervisory Board, as the expertise of experienced Supervisory Board members should be available to the company and exclusion from the Executive Board solely on grounds of age does not seem appropriate.

### F.2 Interim financial information

The Code recommends that the mandatory interim financial information be made publicly accessible within 45 days from the end of the period under review. In order to ensure proper financial reporting and in particular sufficient time for the Supervisory Board to review the information, the company departs slightly from the recommendation of the Code.
