Election of IVU Supervisory Board

The Annual General Meeting of IVU Traffic Technologies AG held on 3 June 2014 has elected a new Supervisory Board. Former Chairman Klaus-Gerd Kleversaat has left the Supervisory Board with effect from the conclusion of the General Meeting on 3 June 2014. Uli Mayer-Johanssen, Member of the Executive Board of MetaDesign AG, Berlin, has been elected as a new Supervisory Board member. Prof Herbert Sonntag and André Neiß remain members of the Supervisory Board for a further term of office. In its constitutive meeting, the Supervisory Board appointed Prof Herbert Sonntag as its new Chairman and André Neiß as Vice-Chairman.
